

## HOW TO ZOOM

*To participate in a Zoom Meeting with video, you must download Zoom Launcher Software Otherwise, you may call the number listed to join via phone.*

Select a link below to download the software prior to a meeting (suggested), OR you may download the software when you click the link to join a meeting.

- Computer: [Download](#)
- APPLE Phone: [Download in App Store](#)
- ANDROIDS Phone: [Download in Google Play](#)

## JOINING A MEETING - VIDEO

1. Click on the meeting link. (You may see this prompt, *Do you want to allow this page to open "zoom.us"?* Select **ALLOW**.)
2. A screen will pop up to let you know if the meeting host has opened the meeting.
3. You'll be asked "How do you want to join the audio conference?" When you select "**JOIN AUDIO CONFERENCE BY COMPUTER**" there is no need to dial-in to the phone number on the email invite. You'll simply use the speakers and microphone from your computer and/or mobile device.
4. You'll be in the meeting and will see the host's face and others who have joined.

## JOINING A MEETING – PHONE / AUDIO ONLY

Dial the number and enter the **Meeting ID** and **Password** (if required).
